PROGRAM

FREERIDE IN DAVOS KLOSTERS

With the ski lifts we save ourselves countless meters of altitude ascent, which we descend off the slopes. An incredible feeling of freedom in this magnificent landscape of Davos Kloster to leave your mark and swirl the glittering powder snow into the air. Possible destinations are Rinerhorn, Jakobshorn, Parsenn, Gotschna and Madrisa. Depending on the conditions, we combine the different areas with each other. During the freeride course (short day), we also focus on your basic skiing technique and improve your off-piste turns.
