PROGRAM

SKI TOURING BEGINNER COURSE

At 9 am you meet your mountain guide at Fullmoons Bergsport Davos at Promenade 127 in Davos village. Those who still need rental equipment for the two days can equip themselves directly here. By bus or by car we will soon reach the starting point for our first small ski tour. The mountain guide chooses the terrain according to the conditions.

On two beautiful ski tours you will learn the correct handling and use of the equipment, ascent technique, avalanche search and the basics of avalanche awareness. We also give you a few ski technique tips for deep snow skiing on the way.
