PROGRAM

GROSS SCHIAHORN

To start we'll use the ski-lift and will reach Nu at 2300m Our walk commences at the Parsennbahn middle-station alpine-trail. Over the Panoramatrail we go round Schiahorn and enjoy the view into the valley untill we reach the Strelapass. From there on our focus will be on the road, going uphill to the steep peak of Gross Schiahorn Once we get to the top we'll be able to enjoy the view on the Davoser countryside Down on the slope we'll be a lot quicker getting back to the Strelapass. Here we'll be able to get some refreshments in the Strelapass Restaurant before we take the final descent. Over the Schatzalp our road takes us down to Davos.
