DAY 1

TINZENHORN

Everyone who lives in Davos or goes on holiday in Davos wants to be up there for once. Thomas Mann had already described it:

"supernatural, reverberatory, inaccessible," in a word, "The Magic Mountain!"

Early in the morning we drive by car via Filisur up to Alp Spadlatscha. After the ascent, there is an easy climb to the top of the so called Matterhorn of Graubünden in the upper part.
