## *PROGRAM*

### **AVALANCHE COURSE REFRESHER**

Would you like to refresh your avalanche knowledge before the upcoming ski touring and freeride season? Then the two-day Avalanche Course Refresher is just the thing for you. The short theoretical explanations are immediately put into practice on an instructional tour. The main topics are the interpretation of the avalanche bulletin, assessment of the snow cover formation, terrain assessment, route selection and track layout, tactics in ascent and descent, rescue and tour planning.
