PROGRAM

CANYONING VAL BODENGO 2

We meet in Gordona. Independently, all then drive the 7 kilometers to Val Bodengo. After everyone has grabbed the equipment and the guide has instructed us, we can start. The intermediate route in Val Bodengo is one of the most famous in northern Italy. A series of waterfalls (max. 18 meters) and pools of different depths with clear water await you. Furthermore, it has jumps (max. 7 meters) and slides (max. 15 meters). One is in the water to a maximum of 4 hours in total.

Jumps are never mandatory, you can also always abseil.
