

Climbing camp for children in October

Climbing for children in the various climbing gardens in the Upper Engadin

Climbing camp for children in October

Climbing for children in the various climbing gardens in the Upper Engadin

DAY 1-5

CLIMBING CAMP FOR CHILDREN

In addition to the daily excursions to the various climbing areas, there is plenty of time for games, fun and relaxation together. Participants with climbing experience will have the opportunity to improve their climbing technique, to practice climbing up and to learn everything you need to know about belaying and securing a stand.
