## *PROGRAM*

### **FULL MOON SNOWSHOE HIKE**

The panorama with a full moon is so mystical, that one barely notices the light effort of the tour. The experienced guide will find the right way. Everyone else can just concentrate on what really counts: the unique experience.

The fairytale evening ends in the Panorama Restaurant with a glass of wine and Graubünden specialities, before a leisurely ride down into the valley on the oldest funicular in the Engadine.
