## *PROGRAM*

### **HELI-SKIING IN THE ENGADINE - ST. MORITZ**

Thanks to the helicopter flight, we reach places that no other freeriders or ski tourers target. So the first descent is all ours and everyone can make his own tracks in the fresh snow. After this descent, we take the ski lifts up and ski down off-piste. An unbelievable feeling of freedom to leave your tracks in this wonderful landscape of the upper Engadine. A freeride day with an extra dose of adrenaline and an unforgettable flight awaits you.
