PROGRAM

ICE CLIMBING MULTI-PITCH COURSE

The two-day course "Ice climbing multi-pitched" is aimed at climbers who have already made their first experiences in steep ice and would like to expand their skills and knowledge. During these two days we will dedicate ourselves to the climbing technique in steep ice, the correct handling of the safety equipment, learn how to drill anabalakov thread, correctly set up a stand and assess the objective dangers. On the second day we will climb a multi pitch tour. Depending on the conditions, the course takes place at different ice falls in the Upper Engadine region.
