PROGRAM

ICE CLIMBING TEASER COURSE

We will give you a first impression of ice climbing. You'll see the three hours fly by!

Our ice climbing garden in the Pontresina gorge is just a five-minute walk from the mountain guide's office. The mountain guide first explains how to fit the crampons. After the introduction to the safety rules you will put theory into practice. Being Top Rope secured and fully concentrated on crampons and ice axe, nothing will stop your sense of achievement!
