PROGRAM

ICE CLIMBING TECHNIQUE AND SAFETY

The two-day course "Technique and Safety" is aimed at beginners and ice climbers with little experience who want to refresh their knowledge at the beginning of the season. During these two days we will dedicate ourselves to the climbing technique in steep ice, the correct handling of the safety equipment, learn how to drill anabalakov thread, correctly set up a stand and assess the objective dangers. Depending on the conditions, the course takes place at different ice falls in the Upper Engadine region.
