*DAY 1 - 3*

## **SKI TOURING AND FREERIDE FOR KIDS AND TEENS**

The winter wonderland Engadin offers a lot of possibilities, whether beautiful ski tours, long powder runs, leisurely snowshoe hikes in the forest or much more. Even when the whole thing is so beautiful, it still harbors certain dangers. We want to show you in three days what you have to pay attention to, to make your day a full success. With many beautiful turns and wonderful small or bigger ascents we will show you the Engadin.

Depending on conditions we will alter the program. We certainly want to go freeriding one day, work on avalanche awareness one day and go on a small ski tour. The focus is on having fun and being able to learn something.

Are you between 12 and 18 years old and interested in exploring Engadin with us?

Then get in touch to get more info.
