DAY 2

PIZ BERNINA BIANCOGRAT

Breakfast is at 3:00am. Then we start in the dark with the headlamp and reach the Tschierva glacier via the narrow and exposed path. From now on we are on the rope all day long. From Fuorcla Prievlus onwards, there is also the sun also accompanying us. In front of the Bianco ridge it is only possible to make progress with easy climbing. Over the Bianco ridge we climb about 2 hours up to the Piz Bianco. Now the 2nd stage of the climb up to Piz Bernina with its 4049 metres awaits us. The descent is via the normal route, the Spalla ridge to the Marco e Rosa hut.
