PROGRAM

PIZ PALÜ EAST SUMMIT FROM THE VALLEY

We take the first Diavolezza gondola up to the Diavolezza, then we take the narrow hiking trail past Piz Trovat up to the Pers glacier. Now roped up and equipped with crampons, we climb up towards Piz Palü. Over the narrow ridge we reach the east summit.

The descent follows along the ascent route. Back on the Diavolezza we enjoy the well-deserved refreshment on the Diavolezza sun terrace before we take the train back to the valley.
