ROCK TRAINING IN THE LAGALB CLIMBING GARDEN

We meet in Pontresina at the office of the "Bergsteigerschule Pontresina". Here you also have the possibility to stock up with the necessary rental material. The afternoon is all about training in the Lagalb climbing garden. Here we find ideal terrain to teach you the basics of climbing on alpine tour. DAY 3

PIZ MORTERATSCH

After these 2 days of training, today we climb what is probably the most beautiful panoramic mountain in the Bernina Group. From the Boval hut we climb up to the Fuorcla Boval. With the crampons we continue to the summit, from where we enjoy a breathtaking panorama. The descent into Val Roseg is via the Tschierva hut. Here we can strengthen ourselves one last time before we return to Pontresina through the Val Roseg.
