DAY 1

IL CHAPÜTSCHIN (3387M)

High altitude tour for those who enjoy the alpine world. We meet at the valley station of the Corvatsch cable car and take it to the top station. From there it goes downhill and traversing with a short rope-secured foot passage to the Chamanna Coaz. From here it's a good 700 vertical meters to the ski depot, the final ascent to the summit on foot on Il Chapütschin. Back at the ski depot, the wonderful powder snow descent back to the hut begins.

DAY 2

DSCHIMELS

Early in the morning we set off through the imposing glacier world of the Vadret da Roseg. From the summit of Dschimel we have a great panoramic view on the Bernina group, such as the imposing Piz Roseg and the Piz Glüschaint. The descent takes us again over the glacier past Lej da Vadret to the Hotel Roseggletscher. From here we can walk on the cross-country trail to Pontresina or we can take the horse-drawn carriage (additional costs).
