## PROGRAM

### DAILY SKI TOUR

From the Diavolezza we make our first turns down to the Pers glacier. With skins we continue in the shadow of the impressive north wall of the Piz Palü in a comfortable pace towards Fortezzagrät. After a little more than two hours ascending, we will be standing on the Gemsfreiheit 3186m in the middle of a fascinating glacier world. After a rest at the summit, we take the 1300 vertical meters descent towards Restaurant Morteratsch.

Many more ski tours from the valley can be found in our weekly program on [tagesskitouren.ch](http://tagesskitouren.ch)
