PROGRAM

DAILY SKI TOUR

In order to always have the best snow and the ideal tour for you, we adapt our program weekly to the conditions. Together we drive to the starting point in the valley or on the surrounding passes. Before setting off, the mountain guide checks all avalanche beacons. The tour is done in a comfortable and steady rhythm. The length and difficulty of the tour can be seen in the **weekly program**. On the peaks we enjoy wonderful views and look forward to the thrilling descents.
