PROGRAM

SNOWSHOE SUMMIT TOUR

On quiet feet through the winter magic and nothing but the crunching under our feet!

Explore the Engadin in its white robe in a leisurely manner, not on skis, but comfortably on foot, filling your lungs with fresh, clear mountain air with every breath. Being enchanted by the sparkle of the ice crystals in the sunlight, turning in the face of the high-altitude sun. Accompanied in a friendly group and sprinkled with exciting conversation.

The ultimate summit experience. For our efforts we are rewarded with a fantastic backdrop - an indescribable experience from a bird's eye view!

The Julier area offers us a variety of attractive tours. Our experienced and patented mountain guides determine the exact route a few days in advance based on the current conditions.
