PROGRAM

SPLITBOARD BEGINNER COURSE

At 9:00am you meet your mountain guide at the office of the Bergsteigerschule in Pontresina at Via Maistra 163. Who still needs rental equipment for the two days can equip themselves directly next door in our partner store Go Vertical. On foot or by car we will reach the starting point of our first splitboard tour. The mountain guide selects the terrain according to the conditions.

On 2 beautiful splitboard tours you will learn the use and purpose of equipment, ascending, how to use an avalanche beacon and the basics of avalanche knowledge. We will give you tips on powder boarding on the way.
