DAY 1

SMALL SPLITBOARD TOUR FROM PONTRESINA

We meet at 8:30 am at the office of the Pontresina Mountaineering School. You will be equipped under expert guidance right next door in the Go Vertical Shop Pontresina. Afterwards we walk up through the village in a few minutes. At the top of the village, ideal terrain already awaits us for your first splitboarding experiences. We take our first steps on the piste, but soon leave it and continue to ascend towards Alp Languard. We go as far as we can go, the focus is on experience and training.

The training contents are: Introduction to splitboarding, handling of the material (incl. converting from running to skiing and vice versa), introduction to avalanche transceivers, ascent technique, combined with a short ascent.

We conclude the taster course with a downhill run including basics on skiing technique. The course ends at about 1pm.
