Via Ferrata La Resgia

Climbing fun for everyone right in Pontresina

DAY 1

VIA FERRATA LA RESGIA

We start from the new path on the left of the Hotel Palü. After about ten to fifteen minutes on foot we reach the new entrance. We climb another 90 meters in altitude with a length of 200 meters and a good 15 meter long rope walkway as a highlight until we reach the exit. On the terrace of the Alp Languard restaurant we enjoy a well-deserved refreshment and the magnificent view of the surrounding mountain panorama. Afterwards, you can take the chairlift back down to Pontresina or descend via the hiking trail.

All movement enthusiasts at all skill levels have the opportunity to discover and experience all this. We wish you a lot of fun!
