Via Ferrata Piz Trovat I

High alpine feelings at almost 3000 meters in front of a grandiose scenery

DAY 1

VIA FERRATA PIZ TROVAT

Thanks to the permanently installed wire ropes and artificial holds, even beginners can enjoy easy rock climbing. Your gaze wanders in the Engadine over four-thousand-metre peaks or down into the valley where the river meanders its way.

All movement enthusiasts have the opportunity to discover and experience all this at all skill levels. We wish you a lot of fun!
