

Winter Canyoning

A special kind of gorge hike

Winter Canyoning

A special kind of gorge hike

PROGRAM

WINTER CANYONING

You hike, climb and glide along ziplines past ice-covered cliffs and frozen waterfalls without getting wet. Secure and under the expert guidance of your mountain guide, you will overcome even tricky spots and go a total of about 500 meters. Enter a wild, secluded world and imagine yourself far away from any civilisation.

🕒 2.5 Stunden
