## Autumn climbing days in the Engadine

### *WEDNESDAY*

#### **FIRST CLIMBING DAY 100 % WOMEN**

We meet on Wednesday directly at the mountain guide office in Pontresina. There you can also rent equipment for the next few days. We start our climbing days at the Serlas climbing hall in S-Chanf. Before dinner, we have our first yoga session right at the hotel, where we also spend the night and are catered for.

### *THURSDAY*

#### **CLIMBING IN THE MORTERATSCH CLIMBING GARDEN 100 % WOMEN**

Today we go out to the rock. In the climbing garden in Morteratsch we enjoy the magnificent scenery. If the weather is good, the yoga session also takes place outside.

### *FRIDAY*

#### **YOGA, KLETTERN & APÉRO 100 % WOMEN**

We start with an early yoga session before breakfast. Then we strengthen ourselves with breakfast at the Hotel Saratz and start climbing. Not far from Pontresina we make further metres of climbing. To round off the day, we will meet for an aperitif in our shop (Go Vertical) in Pontresina. Here you can shop and get expert advice.

### *SATURDAY*

#### **MORE CLIMBING METRES 100 % WOMEN**

Today, too, we go climbing first. Depending on the weather, again outside on the rock, but if it should be raining, we switch to the climbing hall.

Before dinner we enjoy our last evening yoga session and the last evening at the Hotel Saratz.

### *SUNDAY*

#### **LAST DAY 100 % WOMEN**

On Sunday we start again with yoga. After a hearty breakfast, we set off for our last day of climbing together in the Engadine.
