Climbing course for families in Siat

As a family on the rock.

PROGRAM

CLIMBING COURSE

Climbing with the whole family! In the family-friendly climbing garden in Siat (near Ilanz) this works perfectly.

Together you make your first steps on the rock and you climb high up along the ropes. Parents separately receive a basic training in belaying.

As a family you gain your first exciting experience on the rock.

Learning objectives: Independent top-rope climbing and belaying (rope belaying on top deflected rope).
