SKI TOURS FROM PREDA

Easter Saturday - Easter Monday

We meet in the morning in front of the hotel. From there we start directly to the ski tours. Depending on the weather and conditions, we either start immediately or take the train to get to our starting point. Our mountain guide Andy grew up in the Albula valley. He knows the region like the back of his hand and is looking forward to climbing his home mountains with you.

Good to know

If you have enough time on your arrival, we recommend a walk through the wildly romantic Bergün with its Engadine-style houses from the 16th to 18th centuries, with sgraffito facade paintings, bay windows and window grilles.
