DAY 1 - 3

SKI TOURING AND FREERIDE FOR KIDS AND TEENS

Winterwonderland Arosa Lenzerheide offers plenty of opportunities for freeriding, long powder runs and beautiful skitours. Even when the whole thing is so beautiful, it still harbors certain dangers. We want to show you in these three days what to look out for, so you can really enjoy your time out. With a little help from Arosa-Lenzerheide skilifts, short ascents and a lot of beautiful curves, we'll show you the area. The focus is on having fun and being able to learn something.

Depending on conditions we will alter the program. Over three days, apart from freeriding and a little skitour starting at the lifts, we'll get into avalanche knowledge.

Are you between 12 and 18 years old and interested in exploring the Arosa-Lenzerheide area with us? We are looking forward to your application.
