PROGRAM

CHUR - KUNKELSPASS - RINGELSPITZHÜTTE - LAVOITOBEL - CHUR

We ride from Chur via Felsberg to the Kunkelsspass and on to the Ringelspitzhütte SAC. Except for the last 50 meters of altitude, everything can be ridden very well on a forest road. We don't miss a short stop at the Ringelspitzhütte for the fine cake.

Down we take the challenging trail through the Lavoitobel. The single trail offers some technical challenges in a wild and beautiful environment. The never-ending trail finally turns into a mountain road to Tamins and then along the Rhine back to Chur.

All challenging parts can also be easily overcome by foot.
