

MTB Downcountry Tour Davos

Many meters of altitude and tricky descents.

MTB Downcountry Tour Davos

Many meters of altitude and tricky descents.

PROGRAM

DOWN COUNTRY

This mountain bike day is to be remembered. We master most of the climbs with our own power, depending on whether a shuttle or the mountain railroad helps us to get off to an easier start. But the pedaling is definitely worth it because we find the trickiest descents and the most beautiful views.

 6 Stunden  Single trail scale S3
