## *PROGRAM*

### **SPLITBOARDTOUR**

In order to always have the best snow and the ideal tour for you, we adapt our program every week to the conditions. Together we drive to the starting point.

Before leaving, the mountain guide checks all avalanche transceivers. The tour is done in a comfortable and steady rhythm. Length and difficulty of each tour are described in the weekly programme (follows, as soon as the first tours start). On the peaks we enjoy wonderful views and look forward to the thrilling descents.

The peaks of the splitboardtours get adjusted weekly depending on the conditions. On Saturdays the splitboardtours are starting from Chur. On the other days the tours take place in the following regions.

Thursday: Engadin St. Moritz

Friday: Davos Klosters

Saturday: Avers

Sunday: from Chur

As long as the splitboard tours do not take place, splitboarders can also join the daily ski tours (from Chur, Davos and Engadin). In the **weekly program** you can see if the tour is suitable for splitboarders.
