DAY 1

VIA FERRATA PINUT

We meet in Fidaz and from here we reach the start of the Via Ferrata in a quarter of an hour. Thanks to the permanently installed wire ropes and artificial holding points, even beginners can enjoy easy rock climbing. At the same time you can enjoy the view down on Flims. Movement enthusiasts at all levels have the opportunity to discover and experience all this. We wish you a lot of fun.

At the end of the Via Ferrata we come back to Bargis on the hiking trail and from Bargis with the postbus to Fidaz and Flims.
