

The last ski tours of this season in Engadin

The last ski tours of this season in Engadin

WEDNESDAY

ARRIVAL

On Wednesday there will be enough time for the journey to St. Moritz. From 3 p.m. on, the rooms at the **Hotel Hauser** in St. Moritz can be occupied.

THURSDAY- SUNDAY

SPRING SKI TOURS

We use the Ascension weekend for perhaps the last ski tours of this season. Thanks to the snowy winter, we can still find beautiful tours in the Engadine and also from the Julier Pass in mid-May... We meet in the morning directly in front of the Hotel Hauser. The mountain guide will announce the exact meeting times, but we start early in the spring so that we are back early. We choose the tours at short notice and go where the conditions are best. After the tour we have earned a drink at the RooBar in the Hotel Hauser and look forward to the 3-course dinner to strengthen us for the next day.
