ARRIVAL

HOTEL POST BIVIO

At 6 pm we welcome you with an aperitif at the Hotel Post Bivio.
We discuss the tour program of the following days.

DAY 1-3

SKI TOUR AROUND BIVIO

There are so many amazing tours in the area that we take our pick according to weather and the current snow conditions. We tackle up to 2000 vertical meters per day in a sporty rhythm. The terrain can be well exposed. It is very possible that we need crampons and an ice axe for the final ascent of the summit.

Possible tour destinations are

Piz Platta

Piz d'Err ab Julierpass

Piz da la Margna

And if certain peaks don't make sense because of the conditions, we like to have two other peaks considered for the same day. The program is always adapted to the circumstances and the participants.

↑ 1400 hm ↓ 1400 hm ↪ Confident and good ski technique and very good stamina
